Familiar: Ruby, Python, AWS, Passport.js, OAuth, Mocha/Chai, jQuery, Phaser.io, Webpack, ServiceWorker.js, Bluebird

PROJECTS

Adventure A Day – adventure-a-day.herokuapp.com

Jan. – Feb. 2018

A PWA that enables users to stay in touch with their friends through daily challenges, photo adventures, & chat rooms

- ❖ Executed in 2.5 weeks in a team of four engineers utilizing waffle.io for agile methodologies
- ❖ Owned the integration of Web Push to deliver updates on mission status & task updates as a background process
- ❖ Developed with Express, React, Redux, PSQL, Socket.io, Web Push API, Google APIs, & Service Workers
- ❖ Checked user photo input against Google Vision API to validate photos against a task & stored photos on AWS

Cat Stack Adventures – cat-stack-adventures.herokuapp.com

January 2018

A unique visualizer for helping aspiring coders learn the often difficult to grasp concept of recursion

- ❖ A 4 day Hackathon sprint to demonstrate a new technology
- ❖ Utilized Phaser.io, Slick-UI, Tiled, GIMP, & Piskel to merge user input, graphics, & animation
- ❖ Inspired by the many learning resources available to new coders
- ❖ Won the *Hopper's Helper Award* for most useful App to Fullstack Academy

Choko – choko-hopper.herokuapp.com

January 2018

A chocolate e-commerce site that provides users with a full feature rich shopping experience

- ❖ A 10 day exercise showcasing a mastery of the core concepts of development through an agile workflow
- ❖ Created with React, Redux, Express, PSQL, Passport.js, D3, & Stripe - Tested with Mocha/Chai

EXPERIENCE

The Magic Spoon Bakery, Hardwick, VT

July 2016 – June 2017

Baker & Tech Support

- ❖ Supervised the scaling of 100+ recipes
- ❖ Served as tech liaison between my employer & the company revitalizing the bakery website

Uncivil Ecological Landscaping, Lake Worth, FL

Sept. 2014 – June 2016

Landscaper

- ❖ Created landscape designs through a collaborative process, incorporating native flora & fauna where possible
- ❖ Worked with clients to coordinate their needs, intuitive design, & creative input

Trent Graphics, Stroudsburg, PA

Aug. 2014 – Sept. 2015

Sales Representative

- ❖ Managed, promoted, & oversaw large scale pop-up poster stores on college campus, bringing in as much as \$9,000 per day in revenues for our college clients
- ❖ Designed intuitive layouts, using white boarding, & marketing, using GIMP, to maximize pop-up store visibility

EDUCATION

Grace Hopper Program at Fullstack Academy

Sept. 2017 – Feb. 2018

- ❖ Immersive 3-month software development bootcamp

Boston University

Sept. 2011 – May 2013

- ❖ Studied Biology with a specialization in Forest Ecology
